

Fairfield County Medical Association

cordially invites you to attend:

Federal Red Flags, HIPAA Security Rules and Fraud Prevention

Presented by:
Kenneth C. Citarella, Esq, MBA, CFE
Internal Corporate Security Solutions LLC

Thursday, June 11, 2009
6:30 p.m. to 8:30 p.m.
Tiburon Restaurant (formerly The Three Bears Restaurant)
333 Wilton Road – Westport, CT 06880

With medical liability claims and the concern for privacy of patient health information (HIPAA) at an all-time high, this seminar is a must. What you can expect to learn from this program:

- What is the HIPAA Security Rule that governs all computerized records containing Protected Health Information?
- What are the new federal Red Flag Rules that became effective on August 1?
- What are the state regulations for protecting social security numbers?
- What are the state and federal regulations for disclosing unauthorized access to personal identity information?
- What do you have to do now to be in compliance?
- What are the potential penalties if you are not?
- What is the connection between these security regulations and the basics of protecting your practice from employee fraud?

FCMA members and office staff are invited. Dinner included.
